Joe-

HQ EOC said you are the financier for the response, my apologies if you are not. I am looking for accounting codes for EPA FTE supporting ASPECT for the response as well as the ASPECT contract. The contract has not invoiced, so this is not a rush and frankly, we just need People Plus codes for the COMP/OT, not the 9-5 M-F (unless all labor is being tracked specially for this).

If you all have not figure out how this will be paid for, no worry, just let me kow.

Many thanks.
